

2023 Annual Sponsorship Opportunities

CaringMatters' work with children, adults and families facing serious illness and grieving the death of a loved one is made possible through the support of donors and sponsors. Sponsors also enable us to raise awareness and advocate within the community about end-of-life concerns, advance care planning and grief.

CaringMatters is now offering a specialized sponsorship package that will allow you and your company to define and tailor visibility and benefits to fit the needs of your company, your employees, your financial strategy, and your community. As an annual sponsor, your company will have the opportunity to be a branded partner with CaringMatters and other community leaders, while highlighting your commitment to corporate social responsibility and leadership. Annual sponsorships begin at \$10,000.

Benefits for Annual Sponsors:

- Brand recognition across multiple programs and media outlets.
- Networking opportunities at CaringMatters' signature events.
- Customized employee engagement, volunteer, and awareness programs.
